The Rainmaker Companies Congratulates the 2016 SuperConference Five Star Award Winners

The Annual SuperConference Five Star Awards, are in place to recognize and celebrate forward-thinking and innovative firms and leaders who are pushing the bounds in their five star client service and/or growth efforts in the accounting industry.

“Those focused on meeting the challenges in today’s ever evolving, business environment are the leaders establishing tomorrow’s avenues of firm growth.” said Patrick Pruett, Executive Vice President for The Rainmaker Companies. “The best professional service firms recognize the importance of growth and client service and how it impacts the trajectory of the firm and personal development. We feel it is important to recognize those people who are at the forefront of these movements inside their firms.”

Firms and individuals from more than 50 countries and across five continents participate in the award luncheon and are part of The Rainmaker Companies’ platform of associations, which include: Enterprise Worldwide, Auto Dealer CPAs, HealthCare Advisors Association, Manufacturing CPAs and Nonprofit CPAs, and Real Estate and Construction CPAs. The Rainmaker Companies is proud to recognize individuals and firms who are delivering results and impact firm and client results.
